

# A Special **(Cash Award)** Print Competition:

Theme:

## **THE ATHLETIC SPIRIT**

We'd like to introduce a special competition this year to coincide with the CPPA all convention tailgate party that will take place on Sunday February 7th. Any image that a member has made which has any correlation to the athletic spirit we'd like you to enter with an additional fee of \$10.00. Even if you do not enter print competition we encourage all members to enter this competition. We will have them judged and select a first and second place winners of those who entered the competition and those who did not. Depending on the number of entries we have will determine the cash prize we present. The prize paid out to the winners will be higher if the person who has entered has also submitted prints in the convention competition. Prints will be at least 8 x 10 in size and no larger than 16 x 20. They will be judged under normal room lighting conditions.

We encourage all to enter and look forward to seeing everyone at the convention.
