

Fill-In-The-Blank Press Release: Photographic Competition Award (Seasonal)

Local Photographer's Work Wins Professional Imaging Award

(YOUR NAME) of (YOUR STUDIO) is honored by peers and jurors for high-quality photography.

(YOUR CITY, STATE) (TODAY'S DATE)— (A photograph/Photographs) created by (Name) of (Studio) in (City) (has/have) recently earned (Best in Show, First, Second, Third) place at the Seasonal Connecticut Professional Photographers' Association (CTPPA) Image Competition.

A panel of eminent jurors from across the United States selected the top photographs from all of the submitted entries. Images were judged against a standard of excellence and (Last name's) photograph ("ENTRY TITLE,") was chosen for excellent in the twelve elements of a merit image.

About CTPPA and PPA:

Founded in 1947, the Connecticut Professional Photographers' Association (CTPPA) is composed of hundreds of professional photographers whose common goal is the ethical advancement of photography. Members of the CTPPA include professionals with diverse photographic talents and interests; including, but not limited to; portrait, commercial, wedding, medical, legal and school photography. The majority of the members are studio owners and their assistants. All members have a common goal: to provide quality images that fulfill the client's desires in an ethical, professional and artistic manner.

CTPPA is an affiliate of the Professional Photographers of America. Founded in 1868, Professional Photographers of America (PPA) is the largest and longest-standing nonprofit photography trade association. It currently helps 30,000 professionals elevate their craft and grow their business with resources, protection, and education, all under PPA's core guiding principle of bridging the gap between photographers and consumers.
